Submission Form

Submission form for a sculpture at
Ingenuity Community Sculpture Festival

If you are not able to propose a sculpture on-line then you can use this document. Please "SAVE-AS", while renaming it with the title of your work. Then submit it by mailing to Suvira McDonald, using the subject of Ingenuity submission.

Before submitting a sculpture please read [our letter application process and requirements.](#)

What is the title of your work:

Your Name:

Your best Phone number:

Your email address:

The Suburb you live in:

Please give us an overview of your experience and skills with creating sculpture (~ 500 words Maximum)

Describe your sculpture. Talk about the concept, what the audience will see or experience, its dimensions and weight, its materials, etc. ~ 500 words max. Please attach images of your project including some dimensions .

Installing and safety. You need to think about how you will move and install your sculpture and also if there will be any safety issues for the audience, both because of the audience touching or climbing it, or due to natural elements such as storm and rain. Please talk about your work around these topics.

Do you need creative help? If you are an amateur or student and require assistance we can try partner you with a professional artist after you have submitted and indicated what kind of help you need.

Yes

Do you need practical help with the install? In principal we ask people to bring and install their work themselves. We have limited resources but we may be able to help if really needed.

Yes
